Land Acknowledgment

In the spirit of respect, reciprocity and truth, we honour and acknowledge Moh'kinsstis, and the traditional Treaty 7 territory and oral practices of the Blackfoot confederacy: Siksika, Kainai, Piikani, as well as the Iyarhe Nakoda and Tsuut'ina nations.

We acknowledge that this territory is home to the Métis Nation of Alberta, Region 3 within the historical Northwest Métis homeland. Finally, we acknowledge all Nations – Indigenous and non – who live, work and play on this land, and who honour and celebrate this territory.

We gather together during the High Performance Rodeo to create meaningful connections and memorable experiences through live performances, and to celebrate culture on this sacred land. As generations before us have, we gather together to build community through storytelling.

One Yellow Rabbit strives for respectful partnerships with all peoples as we search for collective healing through truth and reconciliation to honour this beautiful land together.

Welcome to the Joy of Live Performance!

We have a pretty good job here at One Yellow Rabbit. We get to experience the bounty of so many different artists from around the country and the world who have something they want to share with you. To quote an insightful colleague: "Is there anything that artists could possibly need more than an audience?"

What better place to pursue the answer than a delicious, exhilarating and affordable performance festival?

This year we highlight hometown heroes, back for grounding experiences, mischief and sensuous spectacle. Agile emerging artists will experiment on us with brand new works and fresh offerings. Always, there will be Joy... a melange of delight, human virtuosity and the pleasure of being together.

To our dedicated volunteers, our festival team and to you, our audience, we say Thank You! We are privileged to collaborate with you and have your support.

See you at the Rodeo,

Blake Brooker, Artistic Director
Oliver Armstrong, Producer

Scott Thompson as Buddy Cole in KING

THE QUEEN IS DEAD, LONG LIVE THE KING!

Scott Thompson from *The Kids in the Hall* brings his most famous character, lounge lizard ‘Buddy Cole’, to Calgary’s High Performance Rodeo to present his new show *KING*.

An evening of hilarious and sometimes incendiary monologues never before seen on television to a series of brand new monologues written for the recent revival that were deemed ‘TOO HOT FOR AMAZON’, this is a show you can’t miss.

Buddy is back, funnier, sillier and yet somehow more dangerous than ever. Join him in an intimate setting as he mixes up martinis and dishes out the dirt on his fabulous globe trotting life all while reflecting on everything from the fractured state of the LGBTQ+ community to controversial ways to cure cancer to the proper way to woo a despot.

A PERFORMANCE FULL OF HEART, SOUL AND SOME KILLER DANCE MOVES

PRUDE is a hilarious and high-energy blend of stand-up and drag. The piece begins as a motivational talk, given to the audience by the King of the Party, there to show everyone HOW TO HAVE A GOOD TIME.

Slowly, through lip-syncs and mortifying personal tales, we watch them unravel onstage, digging into the complex experience of being an asexual in an (allo)sexual world.

THE GOOD, THE BAD & THE TREATY

Spruce up yer turkey-feathered head-dresses and saddle up yer pintos, folks! MakingTreaty7 is taking you back to the Old Wild West. We done panned through some thousands of old westerns (with and without the spaghetti) and have braided together a golden re-tellin' of them rustlin' and bustlin' times. *Indians and Cowboys* takes original western movie footage from near 100 years ago and mashes and smashes it back together like a punch in a saloon brawl that sends you crashin' over tables and smashin' out the front window. But here's the catch - we're doing all the sound and music live and in person-like. That's right, we'll have bonafide real Indians and Cowboys right under that silver screen, whoopin' and hollerin', yodelin' and revoicing to them movin' picture actors.

PechaKucha Night

20 SECONDS X 20 SLIDES = 1 SPECTACULAR NIGHT!

PechaKucha is an international speaker series that has become a Calgary institution. This will mark the 43rd installment of PKN Calgary. Ten speakers will prepare 20 slides each; these slides will auto-advance every 20 seconds. That means that each presenter has only 400 seconds to give their take on the night's theme, "Spectacular". *PechaKucha* is a fast-paced, friendly evening filled with stories and wide-ranging perspectives.

Hippoposthumous

A MUSICAL ABOUT A LITTLE HIPPO WHO LEARNS THAT THEY MAY BE “PART OF THE PROBLEM”!

Introducing Hippoposthumous, a surprisingly clever young hippo residing in the lush landscapes of Colombia. In this thought-provoking journey, our endearing hippo grapples with the profound realization of their impact on the environment, a poignant moment of reckoning that forces them to confront their role in the ongoing ecological challenges.

As the weight of accountability looms large, Hippoposthumous embarks on a transformative odyssey, navigating through stages of deflection, introspection, and even breaking into catchy show tunes. This compelling story delves deep into the complexities of environmental responsibility, shedding light on the intricate dance between humanity and the natural world.

Hippoposthumous isn't just a performance; it's an immersive, site-specific musical experience that brings to life the very real and pressing issue of the invasive hippo population in Colombia. Through captivating storytelling, it explores the fascinating intersection of invasive species and the human narrative.

In a narrative determined to delve deeper into the Dionysian degeneracy of the human race, three Goblins dissect the dithyrambic to offer up a cautionary tale of patricide, incest, and eye-gouging comedy.

Amid a deadly plague that brings the city to its knees, the citizens of Thebes beg their leader Oedipus to find a cure. Upon receiving word from the Oracle at Delphi, which warns that the only remedy is to uncover and punish the murderer of the previous king, Oedipus vows to ferret out the assassin and see Justice served. What follows is a journey of ironic self-discovery that proves there is no out-running Fate, no arguing with the Gods, and that marriage is the birthplace of tragedy.

GOBLIN CABARET- *The Late Night Howl*

The Goblins curate a closing night cabaret including their favourite human creatives for a late night howl in celebration of *The Rodeo*. Music, puppetry, improv and more. Cosplayers welcome & encouraged for this after-dark bacchanalian blowout - February 3rd 9:30pm.

Kisapmata

A HEARTFELT LOVE STORY THAT'LL STICK WITH YOU THE REST OF THE RODEO

The Tagalog word “kisapmata” means “blink of an eye.” It’s also the title of a punk banger by Filipino band, Rivermaya. Inspired by this song, this new Canadian play tells the love story of two Filipino women—one living in the diaspora and the other, born and raised in the Philippines. Through intimate vignettes, we see the longing, the diving in, and eventually, the letting go.

Dark Purple Slice

BRAND NEW STORIES OF THE HUMAN CONDITION BY CANADIAN COMEDY LEGEND

Bruce McCulloch, member of *The Kids in the Hall*, is back with his world premier of *Dark Purple Slice*, a one-man show that moves brilliantly between funny, relatable and surprisingly touching. Using music, stand-up, and storytelling, Bruce McCulloch takes us on a poetic flyover of his life “pursuing stories” and makes an unspoken agreement with the audience to contemplate the world together. Slice combines Bruce’s knack for effin’ funny observations with his humanistic yearnings and the way he uses gallows humour to get through the dark times. Looking at life as an outsider, Bruce observes the way we reach outward and inward, and his struggle against his own internal pessimism to see the beauty and joy in life.
